

Black Magic

Professional Bar Coolers

from Total Commercial Equipment

Total Commercial Equipment's range of Black Magic professional bar coolers are available in black colourbond or stainless steel exterior. They are available in heights of 885mm (suitable for under bench use), 895mm or 900mm. They feature:

- refrigerated 2°C to 8°C
- ambient 32°C and 75% RH
- two levels of shelving, plus floor ('Special Series' include stainless steel shelving)
- fully adjustable, strong shelving
- digital temperature control and read-out
- Zanussi compressors
- fan-forced evaporator cooling (on 'Special Series' only)
- double glazed doors
- self-closing doors
- door locks
- auto-defrost
- light inside
- 100mm wall clearance required for ventilation
- on castors for easy moving and cleaning
- 1 year warranty as standard

If using SC models without castors, optional feet must be ordered.
