

Vitamix XL[®]

Model: VM10203

Maximize your kitchen's possibilities with the largest capacity, countertop blender. Blend up to 24 (240 ml) servings at once! The XL is engineered to reduce prep-time, improve staff efficiency, and expand your menu capabilities.

Features

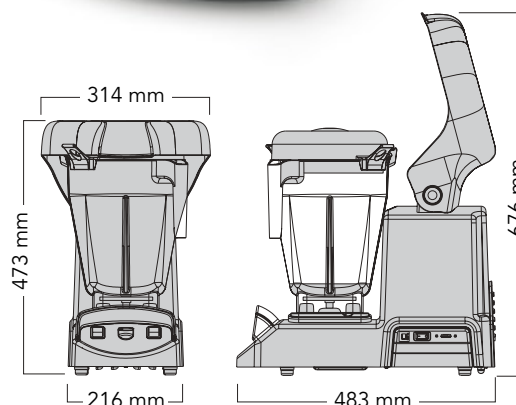

- Powerful ~4.2 peak output HP motor allows heavy blending from delicate tomatoes to dense meat
- Large 5.6 litre container allows up to 24 (240ml) servings in a single batch
- Can be used for both hot and cold ingredients
- Low countertop profile and removable lid plug make it easy to add ingredients while blending
- Pulse function and variable speed control increase blending versatility
- High performance blade design for improved staff and workflow efficiency
- Tamper stick for whole food processing allows for expanded menu offerings
- Low countertop profile is ergonomically designed resulting in ease of use and better space management
