

Total Change Machines On Wall - Dual Hopper

The range of On Wall, Dual Hopper change machines from Total Commercial Equipment has been designed for very busy, high demand situations. The dual hopper doubles the coin or token capacity.

TCE2002 - Dual Hopper, Dual Lock

The TCE2002 is a high security version of the TCE2001 as it has a thicker cabinet, a thicker pry-resistant recessed door and boasts dual locks.

Features:

- ✓ Dispenses tokens or \$1 coins
- ✓ Dual hopper [capacity - 2,800 tokens/hopper (5,600 total) or 2,200 \$1 coins/hopper (4,400 total)]
- ✓ Front loading
- ✓ 2 x pyramid validators accept \$5, \$10, \$20, \$50 or \$100 banknotes. Each validator controls both hoppers for greater flexibility of use.
- ✓ 1,600 banknote stacker capacity
- ✓ Dual lock for added security
- ✓ Steel constructed cabinet
- ✓ Pry-resistant recessed door
- ✓ Audit printer (optional)

Weight: 44kg

Dimensions: 660mm high x 395mm wide x 345mm deep

Warranty: 1 year on parts and 2 years on validator (full extended warranty to 3 years is available)

TCE2001 - Dual Hopper, Single Lock

The TCE2001 is recommended for staffed businesses as it only features a single lock.

Features:

- ✓ Dispenses tokens or \$1 coins
- ✓ Dual hopper [capacity - 2,800 tokens/hopper (5,600 total) or 2,200 \$1 coins/hopper (4,400 total)]
- ✓ Front loading
- ✓ Pyramid validator accepts \$5, \$10, \$20, \$50 or \$100 banknotes
- ✓ 1,100 banknote stacker capacity
- ✓ Steel constructed cabinet
- ✓ Single lock
- ✓ Audit printer (optional)

Weight: 42kg

Cabinet Dimensions: 660mm high x 340mm wide x 330mm deep

Warranty: 1 year on parts and 2 years on validator (full extended warranty to 3 years is available)
