SMARTBLEND™ TECHNOLOGY HELPS REDUCE USER ERROR

Our exclusive SmartBlend technology identifies potential problems that could interfere with the blend, including loading errors, then offers solutions.

BLEND PROFILES ENSURE CONSISTENCY WITH EACH BLEND

The Chef 775 can be programmed with Smoothie, Coffee, and Milkshake profiles that provide customized blend cycles for specific drinks.

BUILT TO SAVE TIME AND MONEY

All Blendtec blenders are built to meet the unique needs of the commercial customer. Each feature—from top to bottom—delivers effortless operation and is designed to reduce overall cost.
