

**Bromic's European-built Chest Freezers offer reliable and efficient refrigeration, available with a number of lids to suit specific applications, such as display, storage or as an additional standalone work space.**

**39. Angled Glass Top Chest Freezer**

Bromic's Angled Glass Top Chest Freezers prioritise product visibility by tilting its curved glass top towards customers.

These units feature easy-clean condensers to keep condensation on the lockable sliding glass doors to a minimum in even the harshest Australian conditions.

**40. Flat Glass Top Chest Freezer**

Bromic's Flat Top Chest Freezers offer versatility in frozen storage and retail display across a wide capacity range (191L-670L).

Provided completely populated with PVC-coated storage baskets, these units feature easy-clean condensers to keep condensation on the lockable sliding glass doors to a minimum in even the harshest Australian conditions.

**41. Flat Stainless Steel Top Chest Freezer**

Bromic's Flat Stainless Steel Top Chest Freezers are designed to provide a durable workspace and deep-freeze storage solution 'all-in-one'.

Suitable for storing fresh produce, such as meat or vegetables, for long periods at as low as -25°C in ambient temperatures as high as 35°C, these units are perfect for maximising bench space while minimising wastage.
