Pie Master Pie & Food Warmers

PM50L pictured

The newly designed, attractive and functional Pie Masters display food at the desired serving temperature. With a variety of sizes and options available, they set the standard for display of pies, sausage rolls and other pastry based hot foods.

Three sizes are available with capacity for 25, 50 or 100 pies. They all feature a modern, brushed stainless steel body with adjustable feet and metal control knobs. Racks can be installed horizontally or at an angle to enable contents to be displayed in the most appealing way.

"L" models feature an internal light to illuminate food as well as a steam pan seated in a baffle tray to produce a delicate steam to keep food moist.
