

LAUNDRY DETERGENT

DESCRIPTION

Laundry Detergent is highly concentrated, biodegradable, and low foaming that removes the toughest stains

BENEFITS

- ✓ Contains an enzyme blend to break down specific stains including protein, fat and carbohydrate-based soils
- ✓ Sequestrants assist in controlling water hardness, allowing the detergents to perform at optimum function
- ✓ Non-dangerous
- ✓ Automatically feeds directly to the washing machine at accurate dosage
- ✓ Lightweight packaging with minimal bottle change over
- ✓ Wash discharge is always within water authority limits and safe for septic systems

APPLICATION

For use in commercial laundries through with the Total Clean Laundry System.

DIRECTIONS FOR USE

Use in conjunction with Total Cleans other laundry products such as Oxygen Bleach, Fabric Conditioner, Booster for best results. Dispense using the automatic chemical feed. This automatically feeds Laundry Detergent directly to the washing machine at accurate dosage.

To change bottles, unscrew the pickup connector from the empty bottle, remove the cap from the new bottle and screw on pickup connector.

Store in a secure area that can be locked and segregated from any incompatible materials.
