

OXYGEN BLEACH

DESCRIPTION

Oxygen Bleach is a colour safe stain remover designed to be used in conjunction with other products in the Total Clean Laundry System.

BENEFITS

- ✓ Highly concentrated liquid with 8% available oxygen bleach
- ✓ Colour safe
- ✓ Non-dangerous
- ✓ Excellent performance on stains
- ✓ Automatically feeds directly to the washing machine at accurate dosage
- ✓ Lightweight packaging with minimal bottle change over
- ✓ Wash discharge is always within water authority limits and safe for septic systems

APPLICATION

For use in commercial laundries through with the Total Clean Laundry System.

DIRECTIONS FOR USE

Use in conjunction with Total Cleans other laundry products such as Booster, Detergent, Fabric Conditioner for best results. Dispense using the automatic chemical feed. This automatically feeds Oxygen Bleach directly to the washing machine at accurate dosage.

To change bottles, unscrew the pickup connector from the empty bottle, remove the cap from the new bottle and screw on pickup connector.

*Test passed at a rate of 5mL/L, with 8 minutes contact time, at 25°C, under clean conditions (i.e. after wash).
