

RINSE AID

DESCRIPTION

An effective and concentrated rinse aid for commercial dishwasher machines.

BENEFITS

- ✓ Spot free finish on glassware, when used as instructed
- ✓ Contains special biodegradable detergents
- ✓ Low foaming at temperatures over 40°C
- ✓ Economical
- ✓ Contains scale control agents to prevent scale build-up in rinse jets
- ✓ Can also be used in domestic dishwashers

APPLICATION

Suitable for all commercial dishwashers with a feeder system attached.

DIRECTIONS FOR USE

DOMESTIC DISHWASHERS:

Fill rinse aid dispenser with product.

COMMERCIAL DISHWASHERS:

Rinse Aid is automatically dispensed by a commercial dishwasher feeder. Simply change the drum when empty. Use 2-3mL per cycle.
