

TANGERPAY

STANDARD KIOSK

With a 10" screen it's a great sized kiosk that fits perfectly in to most busy laundromats.

KIOSK MAX

Kiosk Max is our 15.6" model and great for sites with a little more room

KIOSK MEGA

Kiosk Mega is our 21" model and great when you just want to stand out

With card readers costing upwards of \$1k per machine to buy and install, a kiosk with one card reader to service your entire laundry is the smarter choice.

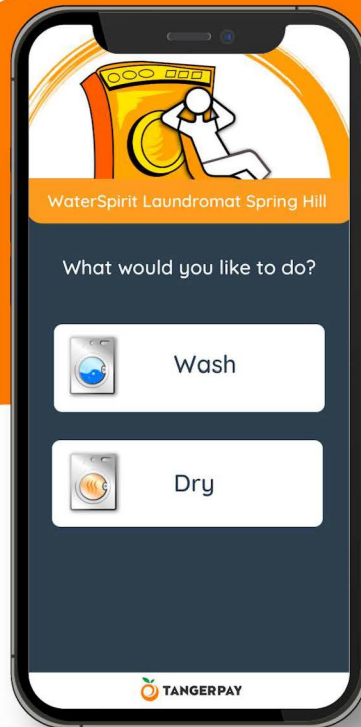

Customers love the kiosk with its user friendly screens. There's plenty of features too: multi-machine start, loyalty, promos, customer feedback, receipts, and SMS reminders.

With no accounts to set up, a customer can select, pay and start a machine within minutes of arriving at your store.

MULTI-MACHINE START

Remove the spend barrier by making it easier than ever to start more than one machine at a time

SMS REMINDERS

WASHING DONE
WASHING READY TO COLLECT!

Customers can opt to receive an SMS when their washing is nearly done. No more machines sitting idle because customers forgot to collect their clothes.

REMOTE START

Remote Start any machine from your mobile. Great for resolving customer issues with machine faults, coin jams or a customer just unhappy with the quality of their wash.

PAY IN MORE WAYS

Accept Visa, Amex, Mastercard, Google Pay and Apple Pay, with the convenience of tap, swipe or chip insert... and of course coin.

PROMOTIONS & COUPONS

Create unique promotions to bring in new customers, and keep them with a loyalty program! You can also sell pre-paid vouchers to your loyal customers and local businesses, like "Pay \$100, get \$120 laundry credit".

FLOAT (OPTIONAL MODULE)

Customers can purchase pre-paid laundry cards, and you keep the float.

SELF SERVICE

Managing your store 24 x 7 from anywhere in the world. Perform refunds, view real-time transactions, and receive Daily / Weekly / Monthly activity reports so you can keep a close eye on everything.

KIOSK + MOBILE PAY

You don't have to choose between Mobile OR Kiosk/Card Reader, you can have it ALL.

PLUG'N'PLAY INSTALLATION

Plug'n'Play install. All you need is a WIFI connection and you're ready to go.

NFC TAGS

Enjoy phone tap payments at the machine without the cost of a card reader. Starting a machine has never been easier.
